

## **MEDIA ADVISORY**

### **Ninth Clean Energy Ministerial Denmark, Copenhagen – 24 May 2018**

The Ninth Clean Energy Ministerial (CEM9) will take place in Copenhagen, Denmark on Thursday, May 24, 2018.

Energy ministers and senior government leaders from CEM's 25 members will come together with some of the world's most prominent private sector executives and thought-leaders to drive action on accelerating the deployment of clean technologies to transition to a competitive and innovative low-carbon economy.
